Mr. Augliere again expressed his appreciation for the briefings and indicated that he saw no need to pass on any of the information since the current Subcommittee investigations should not interfere in any way with Agency activities. See Journal item of 14 September 1970.

9. [] Met with Mr. William H. Cook, Counsel, House Armed Services Committee, and reviewed with him the draft report of the Special Subcommittee on Survivor Benefits which will be forwarded to the Subcommittee members later in the day. Mr. Cook advised that no consideration has been given to the question of anticipatory waiver of retirement pay by retired military personnel who are employed under Civil Service. He noted that the draft legislation, which is an entirely new bill drafted by the Subcommittee, models itself largely on Civil Service retirement benefits for survivors. He feels that the question of anticipatory waiver might well be handled under section 1452 of the proposed bill and suggested that we might want to talk to Paul Bender of DOD who is working on the bill with the Subcommittee. OGC and Personnel have been advised.

25X1 6. [] Checked with Victor Zafra, in the Office of Management and Budget, and subsequently with Mr. William McVetta, Legislative Liaison Office of Treasury, on the status of Treasury's comments on our legislative package. Mr. McVetta indicated that action on this rested with Mr. Gary Rasmussen in their Debt Analysis Section.

25X1 [] subsequently checked with Mr. Rasmussen who promised that Treasury would get their views to OMB tomorrow morning. It appears, however, that Treasury will recommend a change in our definition of unfunded liability in the funding provision of our draft bill.

25X1 7. [] Met with Joyce Curtis, Staff Assistant to Senator Philip A. Hart (D., Mich.), and reviewed with her the correspondence forwarded by transmittal slip of 1 September from

STATOTHR [] concerning [] who is traveling in the Soviet Union. STATOTHR Miss Curtis told me that she had also forwarded the letter to the Department of State and will be guided by the information and advice from the Department. She requested that the letter forwarded to the Agency be returned. No further action is indicated.

25X1 8. [] Met with Fran Christy, Immigration and Nationality Subcommittee staff, House Committee on Judiciary, who told me that a request for report had not been received from Representative Charles M. Teague (R., Calif.) and that the request would be necessary before further processing of the bill by the Subcommittee. On the strength of this advice I met with Montgomery Winkler, Administrative Assistant to Representative Charles M. Teague (R., Calif.), who told me that Mr. Teague's request for a report on the [] bill would be forwarded to the Subcommittee.

25X1 9. [] Met with Mr. James E. Wilson, House Science and Astronautics Committee staff, and brought him up to date on Soviet space activities relating to the Venus probes of 17 August and 22 August and the SL-12 space booster. Mr. Wilson told me that Chairman Miller will be in Europe at the air show, returning around the 14th of September.
